THIRD ACT

ECOLOGIC CORP

THINK. ACT. RESTORE.

A GREENER FUTURE STARTS NOW.

We help businesses and communities build a cleaner, more circular, and more responsible world.

SUSTAINABLE SOLUTIONS
for a circular economy

MEASURABLE IMPACT
for businesses and communities

A BETTER PLANET
for future generations

OUR SERVICES

INNOVATIVE SOLUTIONS. REAL IMPACT.

BRAND PROTECTION
We protect your brand and reputation by ensuring responsible waste management and preventing counterfeit and misuse of your IP.

PLASTIC WASTE MANAGEMENT
End-to-end solutions for the collection, sorting, processing, and recycling of plastic waste with environmental and social responsibility.

TRACEABILITY & TRANSPARENCY
We use technology and data to ensure full traceability of materials, providing transparency and trust in every step of the process.

DATA & IMPACT MANAGEMENT
We measure, manage, and report the environmental and social impact to help you achieve your sustainability goals and ESG commitments.

STRATEGIC PARTNERSHIPS
We build strong alliances with companies, organizations, and communities to drive circular solutions and multiply positive impact.

MATERIALS WE WORK WITH

PP · PE · PET · HDPE · LDPE · Other Plastics

WE TRANSFORM WASTE INTO VALUE AND OPPORTUNITY.

For people. For business. For the planet.

EVERY ACTION COUNTS. EVERY TON MAKES A DIFFERENCE.

- TONS OF MATERIAL RECOVERED
- CO_2 EMISSIONS REDUCED
- COMMUNITIES EMPOWERED
- A GREENER FUTURE FOR ALL

OUR PROCESS

COLLECT
Responsibly sourced materials

SORT
Careful classification and separation

RECYCLE
Processing and transformation into new raw materials

RESTORE
Reducing impact and creating a better future

LET'S BUILD A *Better Future* TOGETHER.
